

MAAN KI UMEED FOUNDATION

Education Initiative : Project Adoption

Location : Guwahati, Assam

Focus Area : Service

Introduction:

Service is a fundamental pillar of Maan Ki Umeed. The organization believes that social responsibility begins with compassion and direct action. Through relief initiatives, food distribution drives, and community support programs, Maan Ki Umeed works to address immediate needs of vulnerable populations across Assam.

Project Aahar:

Overview-

Project Aahar is the flagship service initiative of Maan Ki Umeed. The project focuses on providing nutritious meals to children, families, and individuals from economically weaker sections of society.

The initiative was designed to ensure that hunger does not become a barrier to education, dignity, and well-being.

Food Distribution Across Assam:

Under Project Aahar:

- Food has been distributed across 5 districts of Assam
- Weekly meal support is provided during educational sessions
- Nutritious meals are served to slum children and marginalized families
- Relief food drives are organized during urgent community needs

To date, the organization has served over 25,000+ individuals, ensuring access to basic nutrition for disadvantaged groups.

Donation Drives:

Maan Ki Umeed regularly conducts donation drives to support underserved communities.

Initiatives Include:

- Distribution of food packets

- Clothing donation drives
- Distribution of essential supplies
- Community-led fundraising campaigns

These drives are supported through community contributions and volunteer efforts, strengthening collective responsibility and social unity.

Impact:

Through its service initiatives, Maan Ki Umeed has:

- Reduced food insecurity among marginalized groups
- Supported students attending educational programs
- Mobilized youth volunteers for humanitarian work
- Promoted a culture of compassion and service

Service remains a continuous commitment of the organization toward building a more inclusive society.
