

# MAAN KI UMEED FOUNDATION

Education Initiative : Project Adoption

Location : Guwahati, Assam

Focus Area : Employment

## Introduction:

Employment is the third pillar of Maan Ki Umeed. The organization recognizes that education and empowerment must ultimately lead to economic independence, especially for women from underprivileged communities.

## Vision for Women's Employment:

Maan Ki Umeed aims to promote employment opportunities for marginalized women through:

- Skill development programs
- Vocational training initiatives
- Capacity-building workshops
- Entrepreneurial guidance

The focus is on enabling women to become financially independent and self-reliant.

## Current Status and Future Direction:

While the organization has not yet had the opportunity to implement large-scale employment programs, it remains committed to launching structured skill development initiatives in the coming years.

Future plans include:

- Partnering with vocational institutions
- Organizing skill-based training workshops
- Creating income-generating opportunities for underprivileged women

Maan Ki Umeed envisions a future where empowered women contribute actively to their families, communities, and the broader economy.
